

## **Comfort Medical Announces its Acquisition of Medical Direct Club**

CORAL SPRINGS, FL – December 7, 2015 – Comfort Medical, LLC today announced its acquisition of Medical Direct Club, LLC, the third largest direct-to-consumer supplier of urological catheters and supplies in the U.S.

This acquisition further strengthens Comfort Medical's position as the nation's leading mail-order provider of urological and ostomy supplies. "Comfort has built an efficient and scalable patient-centric platform designed to provide its patients with unparalleled customer service and support. We are excited for the opportunity to strengthen our presence in the urological space with the addition of Medical Direct Club," said Ryan Flannery, President of Comfort Medical.

Bradford Gulmi, Medical Direct Club's Founder & CEO, commented, "It has been extremely rewarding to start and build my second successful healthcare company. It is with great pride that I place our patients in the capable hands of Comfort Medical. They share our commitment to providing excellent service to our patients."

### **About Medical Direct Club, LLC.**

Medical Direct Club, LLC, is a Nashville, TN based direct-to-consumer provider of urological supplies. MDC has built a solid reputation with its patients and physicians as a reliable resource to help them meet their urological supply needs. The company had raised private equity investments from Heritage Group, The Nashville Capital Network, Crofton Capital, and Fulcrum Equity Partners.
